

Welcome

TO THE TEAM

Sameer Nandwani

B BB MERCHANT SERVICES

Sameer is based in India and is a seasoned corporate consultant. His experience covers Cross Border Transactions, M&A, Business Planning, Start-ups, Business Strategy, and Financial Advisory across all sectors with a specialisation in Gaming and Sports Entertainment.

Having grown up and worked in the UK and thereafter shifting base to India, Sameer is able to steer and navigate the Indian business environment for both domestic and international companies, whilst assisting the latter in establishing operations within India.

Given his international experience and working closely with the BBMS operational team, Sameer will guide you on the improved services and lower costs benefits whilst also understanding your specific requirements.
